6. Jolly man brings joy to children around the world
8. Pulls the sleigh on Christmas Eve
10. Red and white curved candy
14. Sits on top of the Christmas tree

# Christmas Problem Solving

Solve these Christmas problems.

## Question 1:

When Santa arrived at Mpho's house, he was very hungry. Mpho had left Santa a bowl of 36 lollies. He ate 4, put 10 in his pocket and gave 2 each to three of his reindeers. How many lollies are left in the bowl now?

## My working out:

## Question 2:

Santa asked his elves to wrap some Christmas presents. He wants 12 wrapped in green paper and twice as many wrapped in red paper. How many presents do the elves wrap altogether?

If each present uses 2m of ribbon, how much ribbon will the elves need?

## My working out:

## Question 3:

Mrs. Claus made 33 steak pies. 15 elves came for lunch and ate 2 pies each. How many pies did Mrs. Claus have left after lunch? If Mrs Clause sold the remaining pies at R15,75 each, how much money would she make before deducting the cost of the pies?

## My working out:

## Question 4:

Rudolf and the reindeers eat 5 bales of hay every day. How many bales of hay do they eat in 8 days?

If each bale costs R35.50 how much with the hay cost for these 8 days?

## My working out:

**Question 5:**

When Santa delivered the presents on Christmas Eve, he ate 3 cookies in each house he visited. If he went to 126 houses in the first hour, how many cookies did he eat? If he continued this speed for 24hrs, how many cookies did he eat before heading home?

**My working out:**

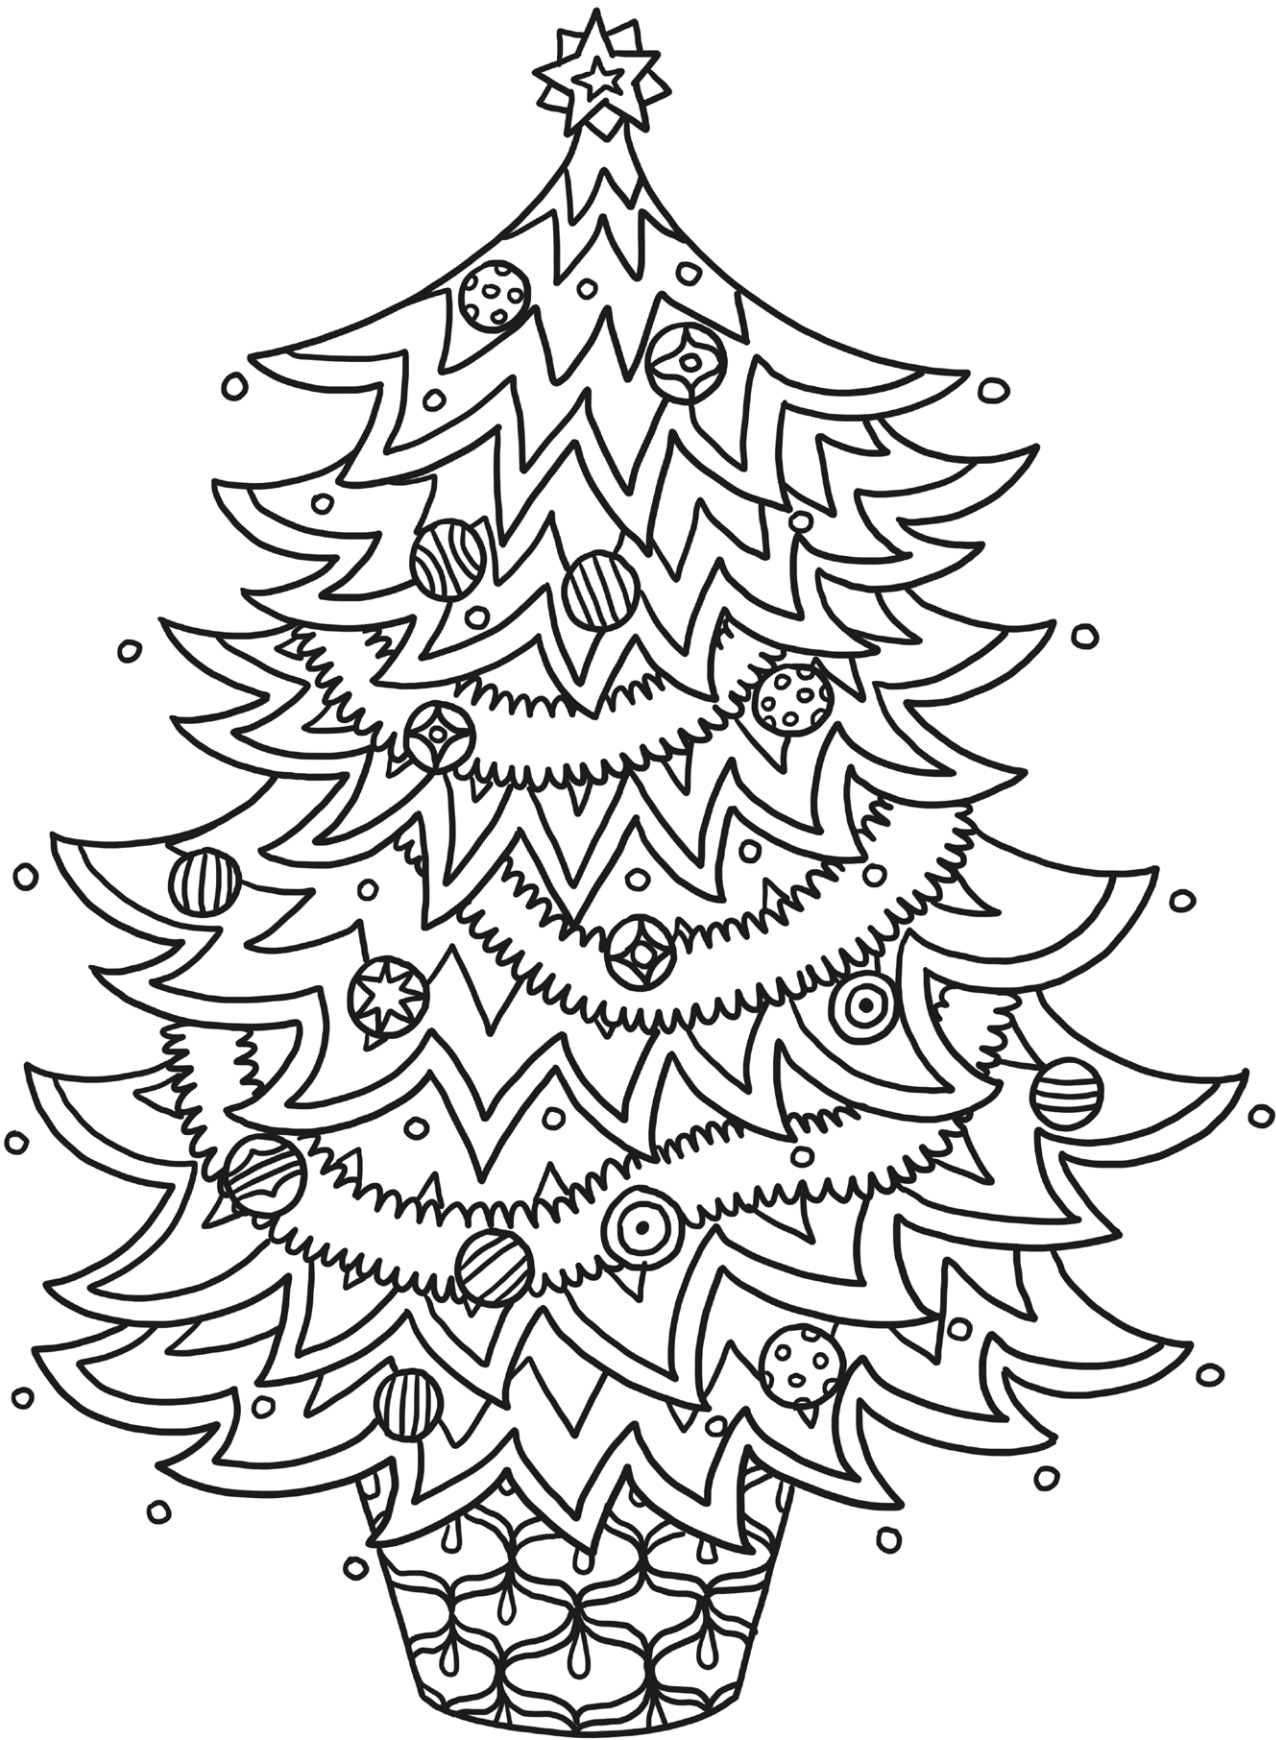

**Question 6:**

Debbie's Christmas tree had 9 gold Christmas ornaments and 13 silver Christmas ornaments. The gold ornaments cost R9.25 each and the silver ones cost R11.40 each. How much did Debbie spend on decorating her tree?

**My working out:**

# Christmas Tree Colouring

# Christmas Word Scramble

Make as many different words as you can from this greeting:

**We wish you a Merry Christmas**

Two columns of horizontal lines for writing answers.

# Christmas Mathematics

Help the elves complete their final count for Christmas.
