Year 5 Homework, Autumn Term Week 1

Maths: Speedy Six

1. What is 0.72 multiplied by 100?
2. What is 4.5 ÷ 100?
3. What is the value of the underlined digit? 1.756<u>8</u>
4. 576.8 + 54.9
5. 12743 – 689
6. 459 x 62 (We know you haven't done this in school yet but can you try to work out the answers?)

Times Tables
Remember that you have access to TT Rock Stars to help you practise!

Spellings

Extension

We know what excellent spellers you are. Your first challenge this year is to check that you know how to spell all the tricky words the government expect you to know by the end of Year 6. You may have had some of these words last year, but this year we are testing you on them. Here are the first 10.

accommodate
accompany
according
achieve
aggressive
amateur
ancient
apparent
appreciate
attached

Spelling Shed will be set with next week's homework as the children will be receiving new log in details.

Space Homework Project

We would like you to produce an informative guide to our solar system. This can include lots of general information, but we would like you to focus on one major planet in detail. You could choose to present this as: -

- A poster.
- An information guide.
- A leaflet.
- Or use your imagination!

Please bear in mind it needs to be able to fit into your theme book so no larger than A3 which can be folded.

If you need any help, please ask your teacher well in advance of the deadline.

This project will need to be in on 21st September.

Homework is due in on 14th September.
