baby	interested	
home	disinterest	
car	literacy	
	literate	
	illiterate	
	how	
	town	
	equip	
	equipped	

Your chance to shine

Your homework this week is based around the Young Governor vote. Consequently, you have a choice for your written homework.

1. If you would like to be your class Young Governor:

You need to write a speech explaining why and what *you* would bring to the classroom and the school.

OR

2. If you **do not** wish to be a Young Governor:
You need to write a paragraph about what your ideal young governor would be like and what you expect them to do for your school. (Think about their responsibilities in the classroom and the school community/environment).

OPTIONAL EXTRAS

If you wish to run for **Year 6 Ambassador** (previously known as House Captain), then this is your opportunity to write your speech. Please ensure you have specific, interesting and practical ideas that will make your speech stand out from the crowd. The speeches will take place in September in front of your house teams. Please do not bring in stickers, etc. - your voice is what is important!

Or perhaps you would like to be the **Sports Captain** for your house team. If you would, then you will also need to write a short speech to your house team explain why you are the person for this role, which includes supporting the inter-house competitions and helping organise other sporting activities throughout the year.

Finally, you may wish to volunteer yourself as a **Reading Ambassador!** Your role will include listening to year 3 children read in the morning, helping in the library one lunchtime a week and promoting a love of books amongst your peers. Mrs Marlow will also meet with you once a month after school to share new books and discuss your role. If you are interested, please complete a short letter to Mrs Marlow of why you would make a suitable candidate.
