

Year 3 Knowledge Organiser

DT Autumn Term

Christmas Textile Decoration

What I should already know.

- To be able to describe textiles by how they feel.
- To make a product from textiles.
- To measure, mark and cut out fabric.
- To join fabrics using glue, tying, staples or a simple stitch.
- To make sure the work is neat and tidy.
- To use scissors precisely when cutting out.

Textiles

What will I know by the end of the unit?

To be able to design and make a Christmas decoration, including a Christmas symbol within the design.

To draw a template, cut out shapes carefully, stuff and stitch together the product.

To include a hanging device.

To make a child-friendly product.

To use the TASC wheel to carry out a project

Key Knowledge

Think ahead about the order of their work and decide upon tools and materials.

Plan a sequence of actions to make a product.

Record the plan by drawing (labelled sketched) or writing.

Add notes to drawings to help explanations.

Understand seam allowance.

Join fabrics using running stitch, over sewing and back stitch.

Use appropriate decoration techniques e.g. applique (glued or simple stitches).

Create simple pattern.

Identify the strengths and weaknesses of their design ideas.

Consider and explain how the finished product could be improved.

Outcome

Investigate!

To draw a template, cut out shapes carefully, stuff and stitch together a Christmas decoration, complete with a hanging device.
