Maths: Speedy Six

1. A television licence costs £150 per year. How much is this per month?
2. Add together the largest and the smallest of these numbers. 0.099   0.9   0.909   0.09
3. Six toffees cost 90p. Find the cost of five.
4. Car parking costs £4 an hour. How much does it cost for 3 hours and 15 minutes?
5. Convert 3.45m into cm.
6. 25% of 1450 =

Keep practising your times tables.

Optional Maths Extension (for 1HP)
A bag of 5 oranges cost £1. A bag of 4 lemons cost £1.80. How much more does one lemon cost compared to an orange?

Spellings

Extension
You have finished the list of tricky words set by the Government so now we are going to do something a little different.

We would like you to develop your word knowledge even more. Look up the following words and write a sentence using them.

conundrum
idyllic
impeccable

Quick English - ISPACE

You need to write out four sentences describing this image. **Each sentence needs to begin with a preposition** (Above, Below, Beneath, Through, Across, Between, Under, Underneath, On top of….etc.). Try to be as imaginative as possible and try to include some impressive vocabulary.

Homework is due in on 25th January.
