Can you find a beat and clap/click/tap along?

What genre is it? Eg classical, pop, rock, jazz, etc

Mark the song out of 10:

How does this piece of music make you feel?

What does it make you picture in your mind?

Think of a way of responding...

Does it inspire you to dance? Draw a picture?

Paint? Sing along? Explain what did you did...

Can you describe the tempo? Does the speed change?

What instruments can you hear?

What about the dynamics of the music?

Is it loud or quiet? Any changes? When?
