Memories of Year 5

Today, we want you to write about your memories of Year 5. You could split your page into four sections like this and draw your own Herne heron in the middle. Box 1 could be a brief introduction to your work. There are some key questions to get you started.

Box 1: Introduction

What topics have you learnt about? List them.

What trips have you been on? (don't moan about Avon Tyrell!)

Which teachers have you had?

How many friends have you made?

Make sure you write in complete sentences.

Box 2: Favourite Theme

Write about your favourite theme from Year 5. What enthused you? What inspired you? What did you learn? What was your favourite fact?

Tell us all about it!

Herne Junior School

Box 3: It's ok to mention Boris and lockdown

You will always remember 2020 and what happened in your Year 5 – we will all remember it so let's not forget what happened. Tell us about the highs of your lockdown.

Did you enjoy the home learning?

What was your favourite learning at home?

What was the best part of lockdown for you?

Box 4: Top Tips to the new Year 5s

What would you tell the new Year 5s about the year ahead of them.

What would you tell them to look forward to?

What advice would you give them about being the best they can be?

Finally, tell them what the funniest thing was that happened in Year 5.
