

Letter to your new teacher

As you begin to think about your **incredible**, **spectacular** and **exciting** new journey to becoming a **Year 6** and being at the **top of the school in September**, we would like you to think about things that you might like to share with your new teacher.

For some of you your teacher will be brand new, and you will never have been taught by them before, and for others your new teacher might be a little more familiar.... Whatever the case, your new Year 6 teacher would **love** to get to know you a little better before September!

Your task today is to write a letter to your new teacher!

You can type your letter, write it by hand from scratch or use the writing template attached as a guide.

Start with normal letter conventions and begin by introducing yourself:

*Dear.....,
My name is and I am writing to you because...*

Your letter should be polite and should showcase some of your **best writing skills**. Remember, you want to impress your new teachers and show them how truly **amazing** you are!

We would like you to include information about:

YOU!

(your age, your family, any interesting facts about yourself)

Your favourite subject/strengths at school

Anything you find tricky

Something you are looking forward to about next year

Anything that worries you about next year

Anything else you would like your new teacher to know about you

Remember to write in paragraphs and don't forget to **sign off** at the end of your letter! You can decorate your letter when you are done.

Your new Year 6 teachers are excited to get to know you!
