What fraction is coloured blue?

Draw your own bar models to help you answer the number sentences.

Female Pirates

7 Many years ago, women were not allowed
 16 on ships as they were considered to bring bad
 25 luck and a stormy night of sailing. However, some
 33 women went against these rules and wanted to
 40 become pirates. Two famous female pirates were
 48 called Anne Bonny and Mary Read. These two
 57 women dressed up as men and fought as pirates
 64 fiercely and fearlessly. In November 1720, the
 73 ship that Anne and Mary were on was captured
 80 by a pirate hunter called Captain Jonathan
 88 Barnett. These two women were the only people
 96 onboard who were brave enough to fight against
 103 the enemy although, sadly, they were outnumbered
 109 and did not win the battle.

Quick Questions
