

Year 4 Homework, Summer Term 1 Week 4 Support

Maths: Fun Five!

One

Place 3.8 on the number line.

Three

Use $<$, $>$ or $=$ to make the sentence correct.

0.52 0.49

True or False?

"When we divide a number by 10, we move each digit 1 place to the right."

Five

Use a diagram to prove your answer.

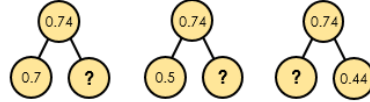

Two

Write the decimal represented:

Four

Complete the part-whole models.

Quick Quick Comprehension: Have a go at the reading comprehension. Children should try to read the text, remember to decode any tricky or new words. Give yourself five to ten minutes to answer the questions. Some of the questions are quite tricky, so don't worry if you have to talk them through with an adult. Your parent can write your answers for you.

Spellings

tore
poor
sore
score
shore
store
door
floor
snore

SPaG Challenge in books please

Complete the sentences by adding inverted commas to each one.
