

Year 4 Homework, Autumn Term 1 Week 4 - Support

Maths

In your homework book pair up the number bonds to 30.

25	16
12	15
15	18
10	20
14	5

Optional maths challenge

1. What is the largest number you can make with these cards?  1 8 3
2. What number is represented?  
3. Write seventy four in digits.
4. Answer this number sentence.
 +  =
5. What is 10 less than 47?

Reading:

Remember you must read every day for 15 minutes. This can be reading a book or practising your phonic or digraphs. Please record this in your Home link book.

Spellings

sea
meat
repeat
seat
heat
wheat
beat
steal
weak

English Challenge

These sentences have been muddled up. Some are fact some are opinion. Write down the three facts.

The Saxons all had long hair.
Saxon children were treated as adults from age 10.
They were mostly farmers and craftsmen.
They were not very nice.
The Saxons lived in wooden huts with thatched roofs.
They weren't very clever.

Times Tables Activities

Please do some of the following:
Daily times tables on TT Rockstars
Daily time tables in booklet
Daily chanting and oral questioning

Please remember: All homework is marked in class with the children and will not have written feedback on it.

Homework is due in on the following Friday

What Plants Need to Grow

6 To grow properly, a plant needs:

7 • air;

8 • light;

9 • water;

10 • nutrients;

11 • warmth.

16 Why does it need them?

27 • If a seed is not warm enough, it will not germinate.

35 Germination is when the seed starts to sprout.

45 • If a plant does not have enough light, it will

56 grow to be tall and flimsy as it tries to search

63 for light. The plant will probably die.

74 • If a plant is not watered enough, its stem will be

85 fragile and it will have very dry leaves. Again, it will

88 probably not survive.

99 So, where is the best place to grow a healthy plant?

Quick Questions

1. What do you think would happen if you planted a seed and put it into a cold, dark cupboard?

2. What is germination?

3. Find and copy the word that means the same as the adjective 'delicate'.

4. Where would be the best place to grow a healthy plant?
