

Year 4 Homework, Summer Term 2 Week 2

Answer either A, B or C.

Top Tip: Remember to use

Th H T O . $\frac{1}{10}$ $\frac{1}{100}$

A

1. $34.54 + 21.30 =$

2. $435.6 - 23.3 =$

B

3. $363.07 + 231.3 =$

4. $604.4 - 321.56 =$

C

5. $1,324.5 + 343.23 =$

6. $2,321.04 - 342.3 =$

Maths: Fun Five!

One

What is the name of this shape?

Two

How many faces does a triangular based pyramid have?

Three

The shape in the mystery box has 8 vertices. What could it be?

Four

What is the name of this angle?

Five

Ranjit says this net can be used to create a sphere.

Do you agree with him? Explain your reasoning!

If you feel up to a challenge, try to answer them all for an extra house point!

Quick Comprehension: Complete the reading comprehension. Children should allow themselves one minute to read the text, and five/ten minutes to answer the questions. Some of the questions are quite tricky, so don't worry if you have to talk them through with an adult.

SPaG Challenge in books please

I dropped my sandwich into the river and it began tomerge.

The train whizzed past atsonic speed.

Aman should be able to lift houses and blow down trees.

Lily didn't understand what eachheading meant.

Times Tables Activities

Please do some of the following:

Daily times tables on TT Rockstars

Times tables training grid

Times tables wheels

Daily chanting and oral questioning

Please remember: All homework is marked in class with the children and will not have written feedback on it.

Homework is due in on the following Friday.

Stone Age Time Periods

- 11 The pre-historic period known as the Stone Age, which is
22 said to have lasted for over three million years, was named
33 because of the stone tools and equipment used at the time.
43 The Stone Age is divided into three phases, although the
52 exact dates for each section vary across the world.
- 61 During the Old Stone Age, known as the Palaeolithic
70 era, the earliest relatives of humans, homo habilis, used
80 simple stone tools and Britain was still connected by land
86 to modern-day France and Denmark.
- 95 In the Mesolithic period (Middle Stone Age), the more
101 developed humans lived hunter-gatherer lifestyles,
112 constantly on the move in order to survive. At this point,
116 Britain became an island.
- 124 During the New Stone Age (Neolithic period), farming
132 began, pottery was developed and villages were built.

Quick Questions

1. Find and copy a phrase which means the same as 'Old Stone Age'.

2. In which phase did Britain become an island?

3. Summarise the main points of this text in 20 words or less.

4. How are the Mesolithic and Neolithic periods different?
