Two for One

9 All our lives, we have done everything together. We've
19 had the same haircuts, worn the same clothes and we've
30 even finished all of our meals at exactly the same time.
40 But there is one thing that is definitely very different
50 about me and my twin, Johnny: the football teams we
52 play on.
63 I play for the Bolton Buffalos (clearly the best) and Johnny
74 plays for the Leigh Lions. Last Sunday was the first time
83 our teams have competed against each other and the
94 stakes were high. It was the final of the local football
102 league's annual competition and, what a surprise, the
112 Jones twins struck again. We both scored a goal within
124 the last minute of the match and the final score was one
133 all. I guess we're not so different after all.

Quick Questions

1. '...the Jones twins struck again.'
How else could the author have said this?

2. What is the twins' last name?

3. What is similar and different about the twins?

Similar: _____

Different: _____

4. What do the words '(clearly the best)' in brackets
show about the author's opinion on the football
teams the twins play for?
