All about Africa

9 Africa is a continent which is bigger than the
 17 United States of America, Canada and India put
 26 together. Africa is home to 54 countries and more
 34 than one billion people. In Northern Africa, you
 43 can trek through the Sahara desert; it is the
 53 largest and driest hot desert in the world. You can
 61 also visit the world's longest river, The Nile.
 71 Millions of people visit Africa on holiday to see its
 79 famous pyramids and go on animal safaris. In
 88 Africa, you will find some of the largest mammals
 97 on the planet. Among them are the elephant, the
 105 giraffe and the world's fastest land mammal, the
 106 cheetah.
