j'aime

j'adore

je n'aime pas

je déteste

What I should already know?

- Language introduced from Early Language and Intermediate units: days of the week, numbers, concept of adjectival agreement, conjunctions.

What will I know by the end of this unit?

- I will learn 10 school subjects and will use them in sentences with the verb 'I study' in French.
- I will learn to tell the time and express at what time I study different school subjects in French.
- I will learn to apply the days of the week in French within the context of a school timetable.

- I will learn how to express my opinion about the different subjects I study in French.
- I will learn to extend sentences by justifying my opinions with a reason in French.
