Girls' Football Team 3rd in the South & West Regional Final

Our Girls' Football team took part in the South & West Regional Finals in Bristol on Saturday (where they represented the whole of Hampshire). It was an incredibly tense and exciting day! After winning our first match 1-0 against Wiltshire, we lost to Somerset by an unlucky penalty, 1-0. The next game was against the Channel Islands which we won 1-0. This left the last group game against Devon, which after a strong performance, we finished 0-0. It was then down to points, then head to head result, then goal difference – we had everything crossed!!

Finally the results were in and Herne had come top of our group – we were heading to the Semi-Finals! The match was against Park Primary from Gloucestershire, but unfortunately, after a gallant effort, we lost 1-0. It was not over yet as we continued the race for 3rd and 4th place. It was nail biting stuff, with the Gloucestershire game heading into extra time, then penalties and finally sudden death! The final score was 3-2 to Herne! The girls played amazingly and worked so well as a team!

Well done girls for being the Hampshire Champions and for playing with such pride. You are all winners and we are extremely proud of you all! We would also like to thank the parents for their support and staff for their skillful coaching and motivational speeches!

Team Members: Well done to Mia Kowalczyk, Libby Guest, Victoria Band, Zahra Williams, Erin Sherwood, Honey Bond, Katy Bravery, Hattie Bond and Phoebe Green.

GOVERNOR UPDATE

At their meeting during the last week of the Spring Term, the Full Governing Body decided that an election for the Parent Governor vacancy would now take place at the beginning of the Autumn Term. In order to fill a gap in the competencies of the Governing Body, the Governors would be hopeful to recruit a parent who has experience of the 'financial world'. This is going to be a high priority for all schools, as the public sector squeeze is still affecting education. Our ability to make ends meet without impacting on the quality of our curriculum and the excellent staff we need to retain to deliver that curriculum will be so important for the future success of Herne.

This term, the Governors will be introducing a special Governors' Award in which a small number of pupils from each year group will be recognised for an outstanding contribution to the life of the school or for personal success against all odds. The Governors are keen to recognise pupil achievements which are not just academic. One of our strategic aims is to promote the education of the 'whole child', thereby fulfilling the school's vision of "Knowing Every Child – Inspiring Every Mind".

Mary Fair (Chair of Governors)

Summer Term Clubs List

Please see page 4 of today's Flyer for a full list of the clubs on offer so far for this term. There may be additional clubs added to this list as the term proceeds, depending on outside providers and some internal arrangements.

Well-Fit Club

This new club, which is a new venture aimed at both parents and children, starts on Monday at 3.30pm. If you have signed up to show interest in the club, could you please come along on Monday along with the entry fee. This is £5 for adults (which includes 2 free children's places) or £3 per child if they are on their own. Thank you.

Junior Driving School

In a change to our usual club of Young Engineers, Mr Markham and Mr Roberts will be running this new club, which is aimed at giving children in Year 6 some experience of driving, including some of the rules of the road. Again, this is a new departure, partly driven by (excuse the pun!) the fact that the usual Goodwood Motor Circuit event isn't taking place this year. If you are in Year 6 and are interested in this club, please collect an application form from reception next week.

Job/Person Summary

An exciting opportunity has arisen for a dedicated and professional person to work in our vibrant and friendly school in Petersfield. You will be responsible for the security, safety, cleanliness and general maintenance of the school site and grounds. Our highest priority is the safety and security of our children, so the ability to work alongside both adults and children is crucial.

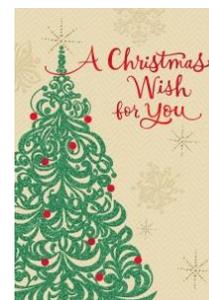

Duties will involve painting, small carpentry tasks, minor plumbing tasks and deep cleaning of the buildings during school closure periods, preparing areas for school-related functions and activities, moving and setting up furniture and equipment as required; organizing the cleaning (and care) of the two minibuses. We would welcome new candidates to consider being MIDAS trained to help drive the minibuses when required on school trips. A full driving licence is essential. You will take responsibility for out of hours activities when they arise (these duties will attract additional pay). You will need to ensure that Health and Safety Regulations and Safe Working Procedures are adhered to and Risk Assessments and Health and Safety inspections are carried out at appropriate intervals, working in conjunction with our admin team to maintain accurate ongoing records for health and safety, fire safety and associated site tasks. The hours will be 7am to 11am then 1.30pm to 5pm (4.30pm finish on Fridays). Times are negotiable for the right candidate, although an early morning start is essential.

Friends of Herne Request

The FoH team are looking for a parent to take over the annual Christmas Card project (we know we're nowhere near Christmas!) This is where every child in school designs a Christmas Card and they are professionally turned into cards that are sold to parents. Mrs Harley has kindly organised this the last few years and she is planning for this to be her final year, so we are looking for a parent to support her this year (learn how it all works), then take over this job in 2019-20.

If you are interested or would like more information, please email in to admin@hernejunior.com.

Living Streets – Walking to School

Living Streets' month-long celebration of walking is almost here! During May we would love to see as many people as possible give 'walking everyday' journeys a go. As part of this celebration, Herne has also pledged to take part in the next Walk to School week which commences on Monday May 21st.

Thank you to everyone who took to two wheels this week and supported The Big Pedal. It was wonderful to see so many bikes and scooters fill our storage areas. Keep scooting and cycling to keep as many cars away from our school as possible. We are even looking into re-establishing a staff shower (which we lost during the building works a couple of years ago) so that staff can run and cycle into work.

Lost Property

We have a number of unclaimed items that have been in the office for several weeks: 2 pairs children's glasses, a boys watch, a girls watch and a baseball cap. These have been taken round the classes and shown to the children, but nobody has owned up to them being theirs! If you think your child has lost any of these please visit the office. Thank you.

Also, please could parents ensure that all items of school uniform are clearly named, check their child's uniform on a regular basis to ensure that markings are still legible and take a look in the lost property cupboard if their child has come home minus any items of school uniform. Thank you ☺

Royal Wedding Picnic – Special Lunch – 16th May

The kitchen will be providing a special lunch on Weds 16th May to celebrate the Royal Wedding. This lunch must be pre-ordered and a form has been sent home with your child this week. Please note that this will be the only option available that day.

This lunch must be pre-ordered by the 8th May.

Supporting Charities

As part of our assembly theme this week, the children have been reflecting on the importance of giving and, as parents and carers will know, we think it is healthy to support charities. The children are always asking if they can support one charity or another. During the summer term (when the better weather arrives), we will be running a CHARITY DAY when children can make things to support a charity of their choice and sell those items at the end of the school day. Keep an eye out for that later in the term.

Supporting FitzRoy – Our Local National Charity

Most of our community will have noticed that the school has periodically supported FitzRoy, a charity that supports vulnerable adults. On 12th May there is a Charity Walk for Peace. For a commitment to raise £30, children or parents can contact FitzRoy to receive a T-Shirt either before or on the day. These will be given out on a first come-first served basis and numbers of shirts are limited. The details for this event are below.

Will Mr Markham Be Thrown Out of a Plane???

In addition to this, Mr Markham has reluctantly said that he will be 'happy' to be thrown out of a plane at 10,000 feet in a tandem skydive if the school manages to raise £1,000 for FitzRoy. The jump takes place at the end of June, so there's two months to get the money together! He's been reassured that he won't be hurt, but we know he's rather twitchy to do this feat, so please check behind your sofas, in the car, find that loose change and see if we can do some real good for a local charity. Publicity for this will be rolling out over the next few weeks.
